# COLOR STORY: OPTION 1

## WARMER TONES COLOR PALETTE

### WHITE DOVE: OC-17

Kitchen and Bath Cabinetry, Doors & Trim Throughout Home

### PALE OAK: SW7015

Wall color throughout the home. If you'd like to go lighter, you could always lighten by 50%

### STONE HEARTH: CC-490

Accent wall color or contrasting door color, if you're looking for a deeper tone somewhere. Potential Kitchen Island Cabinetry Color.

### BOOTH BAY GRAY: HC165

Could be: Powder Room Walls, Cabinetry, Doors Throughout the Home

### WROUGHT IRON: 2124-10

Could Be: Kitchen Island Cabinetry, Accent Wall, Doors throughout the home. You could even do one accent or all of the walls in a bonus room in this for a masculine, "moody" look and feel.

\*We highly recommend you sample all paints for approval in your lighting, paired with your pieces
